The Harvest Dance

AT KOINER FARM

The Charles Koiner Conservancy for Urban Farming (CKC Farming) is hosting the third annual autumn dance & reception. This signature event will feature an intimate urban farm setting with delicious food and beverages, under a canopy of twinkling lights.

An anticipated one hundred neighbors and community leaders will have an opportunity to participate in light-hearted group dances, taught by a professional instructor. Prior to the dance, our sponsors are invited to join us for special reception, with small group tours of the farm and a signature cocktail reception.

Nonprofit urban farms, like Koiner Farm, offer corporations some of the best opportunities for social responsibility, staff engagement, and visibility. If your corporation is seeking a nonprofit partner who is addressing some of the most pressing social issues of our time, please consider a Harvest Dance Sponsorship.
